

GEOGRAPHY DOWN UNDER—Australia was the base for geography studies in Darold Kusch's fifth, sixth and seventh grade class at Fern-Greenwood School during recent summer school sessions. The class took part in a pilot project to test drill in ability to use reference work and to learn about geography. Students made maps and did research. Shown with a map are Kusch and John Chaykowski.

Peanut Sales Net Linda Cobb 'Y' Camping Trip

Linda Cobb might well be a very proud nine year old. A member of Brownie Troop 2048, Linda paid for both her own and her sister's recent week of YMCA camping.

The daughter of Mr. and Mrs. Thomas Cobb, 3536 W. 187th St., Linda and her sister Ellen, along with a group of older girls, toured Sequoia and Yosemite National Parks.

Through her diligence Linda,

who stayed at Camp Mozumdar at Crestline, was able to pay the camping fees through the sale of YMCA peanuts.

She is the only one out of the many local boys and girls attending this summer to pay for the entire camping trip herself.

Ellen, a girl scout in Troop 2022, will enter 7th grade at Crenshaw this fall. Linda, who will enter the 5th grade was so confident of her selling ability that she planned to also sell peanuts to send her younger sister Jeanette to camp.

However, Jeanette decided home was best and that perhaps next year she would go to camp.
